APRIL THINK TANK WINNER

Each time students work with a tutor, they fill out a slip describing what they worked on during their session. At the end of the month, one slip is drawn. That student and tutor each receive a Wawa gift card. In April, our winner worked on math and word problems. He's really improved his math skills through tutoring. Take a look at the smiles from our April winner!

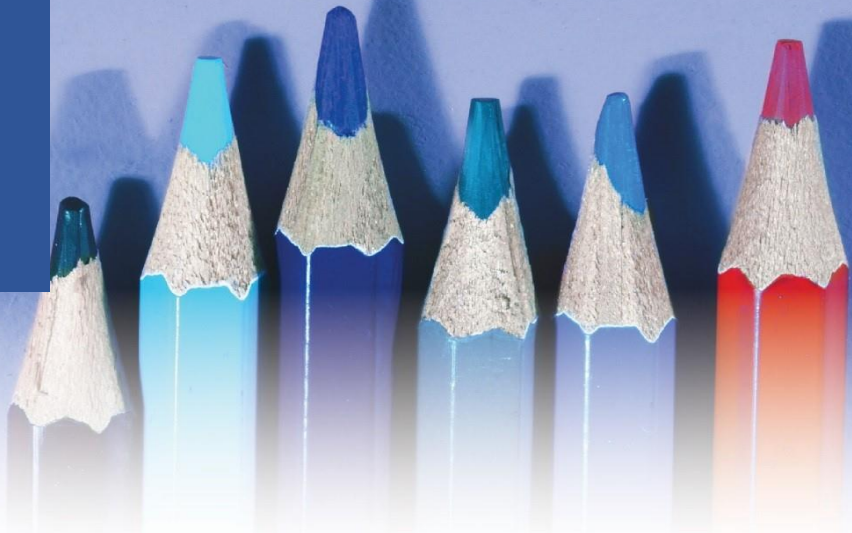

FEATURED BOOK OF THE MONTH

Late, Lost, and Unprepared provides parents and professionals a resource full of practical suggestions for helping those with executive function struggles. This book covers topics such as setting / evaluating / and changing expectations, impulse control, working memory issues, and helping those struggling to get started on tasks. Take a look at the book when you're in the office next!

Learning doesn't end when the school year does! Have you taken a look at our summer offerings here at Fick Education? Reserve your spot now in one of our exciting themed mini-camps or in our Math and SAT/ACT courses. Check out <http://fickeducation.com/summer-camps/> for more information about our summer activities.

NEW ON OUR BLOG:

Curious about how Fick Educational Services assist our clients on the Autism spectrum? Wondering if one on one tutoring would help your child or client to improve in reading and math skills? Take a look at our philosophy on our most recent blog: Focus on Function.
