July 2018 Edition 3

Join us on Tuesday, July 10<sup>th</sup> at 7 pm for a free parent informational event. Learn tips on helping your student start off the new school year on the right foot. It's never too early to prepare for a successful September. RSVP on Facebook or email [fickeducation@gmail.com](mailto:fickeducation@gmail.com). We hope to see you there!

## JULY THINK TANK WINNER

Congrats to our winners: Chase and Tutor Kelley! Each time students work with a tutor, they fill out a slip describing what they worked on during their session. At the end of the month, one slip is drawn. That student and tutor each receive a Wawa gift card. In July, our winner worked on discussing the rhetoric of sports broadcasting and reviewed his essay.

The office has been a flurry of activity this summer, filled with little artists, engineers, and rainforest adventurers! Camp registration has closed; however, some later camps may still have space. Email us at [fickeducation@gmail.com](mailto:fickeducation@gmail.com) for more information.

*My boys always enjoy their weeks at FES... I love that I can send both boys (one on the spectrum and one not) and they are treated the same. It helps them learn about each other while learning about things they are interested in like computers, programming, and science. Great experiences always!!! - Debbie*
