## December Think Tank Winner

Congrats to our winners:

Henry and Susan!

Each time students work with a tutor, they fill out a slip describing what they worked on during their session. At the end of the month, one slip is drawn. The chosen student and tutor each receive a Wawa gift card. This past month, our winner, Henry, worked on planning for upcoming assignments and a research essay with the help of his tutor, Susan. Congrats Henry and Susan!

## Testimony

"We can not say enough about Fick Educational Services! This was the second summer that we contacted Cris about working with our two children for some summer reading and math work. We chose FES since they specialized in the Wilson's Reading Program. We wanted to be sure that our kids would receive the same training track as what they would be exposed to at school. Cris's team came highly trained in this curriculum and brought a huge value to growing our kids' reading levels over the summer. We would definitely recommend Fick Educational Services for their wonderful services"
